

YOU'RE INVITED

Go green this spring with beautifully designed invitation suites in verdant shades.

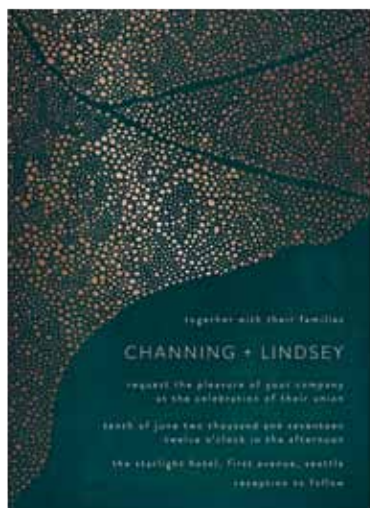

*Watercolor invitation with foil stamping and letterpress printing
by Ceci New York; cecinewyork.com*

If you are seeking something fresh for your wedding stationery, then you might opt for a suite in Pantone's Color of the Year: Greenery. We love this year's selection and feel that couples can have fun with the rich hue while still maintaining a timeless element. This collection of leafy-colored invites ranges from stylish foil printing and romantic lace to gorgeous hand-painted designs and real-life moss details.
