For our Couture Brides, we begin by designing a custom wedding logo/monogram that can be used for a keepsake for years to come. *What's Next?*

Let's get this [design] party started! Email [custom@nicoandlala.com](mailto:custom@nicoandlala.com) with any questions or to let us know you're ready to proceed. We'll send you an online form and schedule a phone or in-studio consultation. We charge a \$50 consultation fee that is deducted from the price of the package you select. Once your contract is signed and your design fee is paid in full, we will send your initial proof within two weeks. Any proof changes take 1-2 full business days. Nico and Lala will begin the process based on which package you choose. If you are one of our Couture Brides, we begin by designing your wedding logo/monogram and expand that into save the dates, and then invitations, etc. Get creative and let us turn your vision into reality. We love Pinterest inspiration, but also feel free to send images of anything that inspires you design wise; a china pattern, a dress, a fabric print, anything! We are thrilled to be helping with your big day and cannot wait to see your vision come to life!
